**THE RONNIE BREWER FOUNDATION DONATES BLESSING BASKETS DURING THE HOLIDAY SEASON FOR FAMILIES IN NEED**

Fayetteville, Arkansas - On November 20<sup>th</sup>, 2013 The Ronnie Brewer Foundation will host its 5<sup>th</sup> annual Holiday Blessing Basket event at the Fayetteville Boys & Girls Club. This year the foundation will be feeding 50 families, which is double the amount from last year. Ozark Mountain Poultry is a proud sponsor for the upcoming event.

The Brewer family cherishes the holiday season and together they decided to make sure that families in need of food would be able to provide a meal for their families for the holidays. The Ronnie Brewer Foundation has partnered up with the Fayetteville Boys and Girls Club to put on the Blessing Baskets program. Every year the Ronnie Brewer Foundation provides a selected group of families, identified by the Boys and Girls Club, with the necessary groceries to have a holiday meal during Thanksgiving or Christmas. Each family selected gets items such as a turkey, green beans, corn bread, macaroni and cheese, and items to make dressing, etc.

The Ronnie Brewer Foundation has been able to bless many families in need with a holiday meal in recent years through its Holiday Blessing Baskets program. The foundation's goal is to continuously grow these efforts through community outreach for many years to come and feed more families in need.
